Design a website in just 6 days!

If you think it's too complicated or costly to create a website yourself, you're in for a surprise! The latest technology has brought website design to the novice. In fact, during this class you will design a professional website that is yours to keep.

All teaching is conducted with easy to understand terminology. Your instructor will be the Product Manager for WPRemix, one of the top three WordPress themes on the Net!

WOW!

This class blew my mind!
I designed my own website
in only 6 days. You can too!

Imagine if you will, being able to create your own website. Not a simple “plain vanilla” website that doesn’t say much more than I have one too. I’m talking about a professional, full featured website. For those of you who haven't been keeping up with the latest tools in website design, things have changed! As the Product Manager of **WPRemix** I will show you only what you need to know and not a lot of other complicated stuff that takes too much time and money to learn. By using a teaching technique I like to call “Hind-Sight is 20/20”, you will benefit directly from my 24 years of experience in website design. This 6 day class will empower you with the skills you need to create and maintain your own site.

Class Overview

Domain Registration, Hosting Setup, Site Planning, Branding, File Transfer Protocol (FTP), WordPress Setup

Theme Selection, Basic HTML Editing, Site Statistics, Menu Navigation, Audio/Video and Photos, Copyrights

Customizing your website with, Plug-ins, Widgets and Cascading Style Sheets (CSS) and more!

Marketing, Communicating with Forms, Newsletters & E-mail, Google FeedBurner, RSS Feeds, Blogging

Google Analytics, Search Engine Optimizing (SEO) & submission, Back-linking, Monetizing your site

Final Review and learning how to move your website from the classroom to the Host Server of your choice.

Classes are limited to 15 students, to maximize the quality of time for both teaching and questions asked. Class runtime is 3 hours in length with 1.5 hours of instruction time and 1.5 hours of hands on training 6 to 9 pm twice a week for three weeks running for a total of 6 days or 18 hours of instruction time.
